Danas je Gajac pravi mali primorski dragulj. Njegove moderne kuće, okružene bujnim zelenilom i šarmantnim vrtovima punim cvijeća, savršeno se uklapaju u otočki krajolik. Drvoredi i mali trgovi stvaraju poseban ugođaj, dok duge, uređene plaže pozivaju na opuštanje pod toplim suncem.

Today, Gajac is a true little seaside gem. Its modern houses, surrounded by lush greenery and charming gardens full of flowers, blend perfectly into the island landscape. Avenues of trees and little squares create a special atmosphere, while long, well-maintained beaches invite you to relax under the warm sun.

Gajac - moderno naselje za odmor

Smješten u srcu otoka Paga, ali ipak podijeljen na dvije županije, turistički kompleks Gajac već dugi niz godina privlači posjetitelje koji traže mir, sunce i more, a istovremeno žele uživati u blizini svih atraktivnih sadržaja koje otok nudi. Smješten je pet kilometara jugozapadno od Novalje, savršeno je povezan s najpoznatijim plažama i kulturnim lokalitetima, ali isto tako u blizini čuvene plaže Zrće.

Gajac je izgrađen 1980-ih godina kao plansko turističko naselje, koje je arhitekt Dinko Milas osmislio kao niz apartmanskih jedinica skladno uklopljenih u prirodni krajolik i mediteranski ambijent. Na 30.000 m^2 smješteni su apartmani, kafići, restorani i trgovine, uz najljepše plaže to je sve što nam treba za savršen odmor!

Gajac — a modern holiday resort

Located in the heart of the island of Pag, divided into two counties, the Gajac tourist complex has been attracting visitors who are looking for peace, sun and sea, while at the same time wanting to enjoy the proximity of all the attractive facilities the island has to offer. Located five kilometers southwest of Novalja, it is perfectly connected to the most famous beaches and cultural sites, but also near the famous Zrće beach.

Gajac was built in the 1980s as a planned tourist resort, designed by architect Dinko Milas as a series of apartment units harmoniously integrated into the natural landscape and Mediterranean ambience. On 30,000 m^2 there are apartments, cafes, restaurants and shops, with the most beautiful beaches, that's all we need for a perfect vacation!

Plaža i šetnica

Iako Gajac broji manje od stotinu stalnih stanovnika tijekom izvansezonskih mjeseci, ljeti postaje pravi mali grad s oko 10 000 posjetitelja i sezonskih gostiju.

Duga i prostrana plaža Braničevica, jedna od najljepših na otoku Pagu, nudi savršeno mjesto za sunčanje, kupanje i vodene sportove uz vrhunsku ugostiteljsku ponudu tik uz obalu. Čak i u špici sezone, ovdje ćete pronaći miran kutak, idealan za obitelji, parove i ljubitelje opuštanja uz kristalno čisto more, a dodatnu pogodnost pruža posebno uređeni dio plaže namijenjen kućnim ljubimcima.

Uz plažu, Gajac nudi i dugu šetnicu uz more, koja je savršen odabir za sve one koji žele uživati u prirodi, šetati ili trčati uz obalu preferirajući aktivan odmor. Ova šetnica vodi vas kroz prirodne oaze i zaljeve, gdje možete doživjeti mirnu ljepotu otoka Paga i uživati u trenucima potpune relaksacije.

Beach and promenade

Although Gajac has less than a hundred permanent residents during the off-season months, in the summer it becomes a real small town with about 10,000 visitors and seasonal guests.

The long and spacious Braničevica beach, one of the most beautiful on Pag, offers the perfect place for sunbathing, swimming and water sports with a top-notch catering offer right on the coast. Even during peak season, this place offers peaceful hideaways—perfect for families, couples, and anyone seeking relaxation beside the crystal-clear sea. As a bonus, a dedicated section of the beach is arranged for pets.

In addition to the beach, Gajac also offers a long promenade by the sea, which is the perfect choice for all those who want to enjoy nature, walk or run along the coast and prefer an active vacation. This promenade takes you through natural oases and bays, where you can experience the peaceful beauty of the island of Pag and enjoy moments of complete relaxation.

Iza šarmantnih vila koje krase ovo područje, skriva se staza koja vas vodi na nezaboravno putovanje prema Mandrama. Dok prolazite kroz tišinu i mir, osjetit ćete miris mora i borova, a pogled na paške krajolike ostavit će vas bez daha.

Osim što je Gajac savršena polazišna točka za istraživanje okolice, predstavlja raj za gurmane, gdje se spajaju otočka tradicionalna kuhinja i moderni okusi. Restorani nude specijalitete od svježe ribe, morskih plodova, Paškog sira i janjetine, uz domaće maslinovo ulje i začinsko bilje po čemu je otok Pag izuzetno poznat. Ovdje će vaše nepce uživati u svježim, lokalnim namirnicama i autentičnim okusima koje ovo podneblje čine gastronomski vrlo prepoznatljivim. Osjetit ćete pravi gurmanski doživljaj koji će vas osvojiti i zauvijek vezati uz ovaj čarobni kraj.

Zajedništvo i očuvanje tradicije

Najvažnija kulturna manifestacija je Dan Gajca, koja se tradicionalno održava 22. srpnja. Okuplja sve mještane i posjetitelje u proslavi tradicije i zajedništva te predstavlja priliku za upoznavanje lokalnih običaja, kušanje delicija i uživanje u glazbenim nastupima.

Ispod vedrog neba, uoči same proslave održavaju se natjecanja u šest uzbudljivih disciplina: belot, boćanje, povlačenje užeta, odbojka na pijesku, plivanje i košarka. Natjecanja okupljaju sve generacije, a sudionici nastoje osvojiti nagrade u prijateljskom, ali vrlo natjecateljskom okruženju.

Posjetite Gajac, mjesto gdje su mir i relaksacija ujedinjeni sa skladnom arhitekturom, prirodnim ljepotama i nezaboravnim plažama, uz bogatu turističku ponudu koja je zadržala dah otočke tradicije. A svaki trenutak koji provedete ovdje ostat će nezaboravan.

Unity and preservation of tradition

The most important cultural event is the Gajac Day, which is traditionally held on 22 July. It brings together all locals and visitors in a celebration of tradition and unity and is an opportunity to learn about local customs, taste delicacies and enjoy musical performances.

Under clear skies, on the eve of the celebration, competitions are held in six exciting disciplines: belote, bocce, tug-of-war, beach volleyball, swimming and basketball. The competitions bring together all generations, and participants strive to win prizes in a friendly, but very competitive environment.

Visit Gajac, a place where peace and relaxation are united with harmonious architecture, natural beauty and unforgettable beaches, with a rich tourist offer that has retained the island tradition. And every moment you spend here will remain unforgettable.
